Re: Notice of cancellation of board meeting

The Residential Structures Board is canceling its October 7, 2009 meeting. The board held a "Special" meeting September 16 to address two time-sensitive issues.

Because the "Special" meeting occurred so near the regularly scheduled meeting, the October 7, 2009 meeting is not necessary at this time and is therefore canceled. The next regularly scheduled meeting will be Wednesday, January 6, 2009. At this time the board does not anticipate the need for an additional meeting prior to the January 6 meeting but may be called into session if the need arises.

Please contact Richard Rogers, structural program chief, at (503) 378-4472 or Debi Barnes-Woods, division boards coordinator, at (503) 378-6787 if you have any questions.
