To Whom It May Concern:

The City of Baker City's Building Department participates in the Electrical Master Permit program pursuant to ORS 479.560. The City currently charges \$60.00 per hour for electrical master permit inspections. Effective July 15, 2009 the fee will increase for the first time by 25% to \$75.00 per hour. The intent of the new fee is to increase the remuneration paid to the City's electrical inspector and match the State of Oregon's standard inspection fee.

The fee increase was adopted at a public Council meeting on February 24, 2009 which included time for public comment.

If you have any questions or need additional information please contact me at 541-524-2052 or the City's Finance Director Jeanie Dexter at 541-524-2042.

Sincerely,

Gary Bood, Building Official
