NOTICE OF SALE/CHANGE OF OWNERSHIP INSTRUCTIONS

It is the responsibility of the seller to file this form and all supporting documents with the taxation/assessment office of the county where the home is currently located within 30 days of the sale. If the seller fails to file the notice of sale within 30 days, the buyer may complete the filing requirement.

If the county refuses to process this transaction, forward this form along with the county refusal form to the State of Oregon, Building Codes Division, P.O. Box 14460, Salem, OR 97309-0404.

Filing information
Box 1. Nature of filing. Indicate whether this sale involves a new home, a used home (i.e., previously owned), or dealer inventory.

Home information
Box 2. Home ID number. The state of Oregon assigns identification numbers for all manufactured structures where ownership has been established in the state. The existing number is located on the ownership document or Status of Manufactured Home Ownership. If this is an initial filing for a new structure, leave this space blank. If you are an agent for BCD, enter the home ID number on this form in Box 2. If the home was previously titled by Oregon Driver and Motor Vehicles, you may provide the DMV license plate number (X-plate) in Box 4 instead of the home ID number.

Box 3. Dwelling type. Mark the appropriate dwelling type for this home, using the following descriptions:
- Manufactured dwelling: a structure built on a permanent chassis, being used for residential purposes; for example, a residential trailer, mobile home, or manufactured home.
- Prefab housing: a building or subassembly more than 8½ feet wide that has been built in a factory to the Oregon Residential Specialty Code, for assembly at a site.
- Recreational unit/park model: a structure designed to be an RV or park model. RVs/park models more than 8½ feet wide must be recorded with the county taxation/assessment office. RVs/park models less than 8½ feet wide are to be titled with DMV.

Box 4. DMV X-plate number. If ownership of the structure was established with DMV prior to May 2005, enter the X-plate number. Either the X-plate number or the home ID number must be provided to identify the structure.

Box 5. Manufacture year. The year the structure was manufactured.

Box 6. Manufacturer. Manufacturer’s business name.

Box 7. Square footage. The square footage of the home’s living area. Do not include porch, garage, or other nonliving areas.

Box 8. Model. The name that differentiates this structure from other structures produced and sold by the manufacturer.

Box 9. Dwelling section information. Include the manufacturer’s full serial number and HUD label numbers for each section of the structure, if available.

Dealer information
Box 10. Dealer name. The name of the dealer (or dealership) who arranged the sale of the home.

Box 11. Dealer license number. Enter the dealer’s license number.

Box 12. Dealer address and telephone. Enter the address and telephone number of the dealer. Check “Dealer holds interest” if appropriate. If there is a dealer hold on the home, an ownership document will not be generated until the dealer removes the hold.

Sales information
Box 13. Date of sale. Enter the date the home was sold. Check “Non sale” box if no sale.

Box 14. Sales price. Enter the sales price of the home. Check the box if land is included.

Box 28. **Seller/current owner acknowledgement of sale.** All current owners must acknowledge their legal requirements related to this sale or change. The seller/current owner is responsible for completing the new-owner and security-interest-holder information and for obtaining signatures of all parties involved. The seller/current owner must file this form with the taxation/assessment clerk of the county where the home is currently sited, along with the ownership document or other proof of ownership, and a copy of the bill of sale. Owners wishing to maintain a security interest in the structure must include themselves as security-interest holders in the buyer/new owner section of this form. ### Buyer/new owner acknowledgement of sale/change of ownership

I affirm that the information provided herein accurately reflects the ownership, siting, and exemption status of the structure at completion of the sale/change of ownership.

If I have declared the structure will become exempt from registration with the state of Oregon because it will be filed in the county deed records, I certify that I will apply within 25 business days of the move or sale/change of ownership to have the manufactured structure recorded in the county deed records of the county in which the structure is sited (ORS 446.626(5)(b)).

I acknowledge that the structure must be located on the site address provided within 30 days, or an updated site address must be filed to reflect the actual location of the structure.

I understand that the home cannot be relocated without a trip permit, which may be purchased from the taxation/assessment clerk in the county in which the structure is currently located.

I understand that the seller/owner is responsible for submitting this notice of sale/change of ownership to the county in which the home is currently located within 30 days after closing of the sale, and that all buyers and sellers will be notified by mail when the notice of sale is filed. I understand that, should the seller/owner fail to file this notice of sale/change of ownership within 30 days, I may complete the filing (ORS 446.641(1)). I further understand that each lessor, mortgagee, trust-deed beneficiary, lien holder of record, and security-interest holder must be listed on this notice, or, if none are listed, the manufactured structure must be free and clear of all mortgages, deeds of trust, security interests, and liens.
