

Instruction Sheet for the 2008 Electrical Code Change Course

This course is designed to encourage the examinee to research and understand the new elements of the 2008 Oregon Electrical Specialty Code.

Reference materials:

- 2008 National Electrical Code, (the blue NEC Handbook is best, but not required).
- Oregon Revised Statutes, chapter 183, chapter 455 and chapter 479. The statutes can be found on the BCD web site:

www.bcd.oregon.gov/statutes_rules.html

- Oregon Electrical Specialty Code and administrative rules related to the electrical industry, also on the web site:
 - Chapter 918, Division 030
 - Chapter 918, Division 035
 - Chapter 918, Division 098
 - Chapter 918, Division 251
 - Chapter 918, Division 261
 - Chapter 918, Division 271
 - Chapter 918, Division 281
 - Chapter 918, Division 282
 - Chapter 918, Division 283
 - Chapter 918, Division 305
 - Chapter 918, Division 306
 - Chapter 918, Division 308
 - Chapter 918, Division 309
 - Chapter 918, Division 311

Exam scoring:

There are 80 multiple-choice questions that cover information found in the reference materials indicated above. Each question is worth 1.25 points for a total of 100 points possible.

CEU credits:

A passing grade of 75%, (60 correct answers), will result in 4 hours of Code-Change Continuing Education credits being posted to the examinee's license data.

Taking the exam:

- Download and print the answer sheet or complete the answer sheet on-line
- Be sure to include your name and license number on the answer sheet
- Fill in the letter designation for the correct answer in the appropriate numbered box
- Print and mail or save the online answer sheet as a document and e-mail to the Building Codes Division.
