

**STATE OF OREGON**

**INTEROFFICE MEMO**

**BUILDING CODES DIVISION**

**DECEMBER 2, 2005**

To: Building Officials  
c/o local building department jurisdictions

From: Richard Rogers  
Structural program Chief

Subject: Rescission of Interpretive Rule No. 93-73

The above-mentioned statewide interpretation which was issued in 1993 and revised in 2002, under the provisions of the OSSC and the OTFDC, is hereby rescinded with immediate effect. This interpretive Rule was issued under a previous code and is no longer relevant.

If you have any questions related to this action, you may forward them to me at (503) 378-4472 or to Shane Sumption at (503) 378-4635.
