

STATE OF OREGON

INTEROFFICE MEMO

BUILDING CODES DIVISION

DECEMBER 5, 2005

To: Building Officials
c/o various building department jurisdictions

From: Richard Rogers
Structural Program Chief

Subject: Rescission of Alternate Material Ruling No. 93-92 "Meranti As Decay-Resistant
Wood And Design Values"

The above-mentioned statewide alternate method ruling which was issued in 1993, under the provisions of the OSSC and the OTFDC, is hereby rescinded with immediate effect. This interpretive Rule was issued under a previous code and is no longer relevant.

If you have any questions related to this action, you may forward them to me at (503) 378-4472 or to Shane Sumption at (503) 378-4635.
